leading through innovation

Imation RDX® Removable Hard Disk Cartridges

Quickly protecting your business or personal data, Imation RDX® removable hard disk cartridges contain a 2.5-inch hard disk drive that offers all of the advantages of disk-to-disk storage, including high performance and a low-failure rate. The cartridges are available in 80GB to 500GB and provide both forward and backward compatibility.

Imation RDX® removable hard disk cartridges are compatible and interchangeable with all RDX and RD1000 removable hard disk docks on the market. The removable hard disk media provides complete data protection and helps ensure easy-to-use, reliable, fast and portable storage to small- and medium-sized businesses.

Features & Benefits

- Rugged Design – Contains a 2.5-inch hard disk drive in a durable shock protected cartridge design tested to withstand up to a one meter drop.
- Compatibility – Read/write compatible and interchangeable with all RDX and RD1000 removable hard disk docks, including the Dell PowerVault RD1000.
- Capacity – Includes 80GB, 120GB, 160GB, 300GB and 500GB - the highest capacity RDX cartridge currently available.
